

IntaRide Training Bluetooth System:

Charging:

Red light flashes during charging, OFF indicates fully charged.

Power-ON:

Press the button with the Motorcycle icon until red light shows. Let go and the light will go to Blue.

Your units will normally have been Pre-Paired

IF YOUR UNITS HAVE NOT BEEN PRE - PAIRED, PROCEED TO (2)

(M) = Master – Instructor unit

(A) = Student A unit

(B) = Student B unit

For "Already-Paired" Devices):

With units **(M, A & B)** all turned **ON**, press "**A**" on **(A)** unit, wait about 10 seconds and after a "Be-bop" sound, you will hear the **(M)** headset through the **(A)** earpiece.

Then, press "**B**" on **(B)** unit, wait 10 seconds and after a "Be-bop" the "**A**" headset will cut off temporarily, then after a few seconds you will hear the **(M)** headset through the **(B)** & **(A)** earpieces.

DOUBLE - CHECK THE EARPIECES ARE FIRMLY PLUGGED INTO UNITS A & B

Power-OFF:

Short - Press the button that says **OFF**, lights go out.

Volume:

Momentary presses of the + & - buttons will turn the volume up or down.

(2) Pairing (If you need to):

You need to **FIRST** Pair the Student **(B)** unit to the Master **(M)** & **(A)** units separately.

Turn all units **ON**.

Press & hold the "**B**" buttons on units **(M & B)** until Red/Blue flashing.

Count to 5 and press "**B**" on the **(B)** unit. Unit **(B)** will take about 10 seconds to synchronise with **(M)**

Both will now be flashing Blue.

Press the "**A**" buttons on **(A & B)** units until Red/Blue flashing.

Count to 5 and press "**A**" on the **(A)** unit.

Turn **ON** **(M)**, then **(A)**, then **(B)**. Wait 10 seconds, plug in the earpieces firmly to **(A & B)**.

Press "**A**" on **(A)**, wait 10 seconds and check the voice from headset **(M)** is coming through.

Press "**B**" on **(B)**, wait 10 seconds and check the voice from headset **(M)** is coming through.

Re-set pairings:

To clear the pairings, with the units turned **ON**, press & hold the "**A+B**" buttons at the same time until red lights triple flash.

GPS / Phone:

To pair to a GPS or phone, press and hold the **ON** button with the motorcycle icon until the light flashes Red/Blue.

Warranty:

IntaRide equipment carries a 12 month manufacturers defect warranty covering all parts except batteries, which have a 6 month warranty.
